## DIANA

TABURNO FALANGHINA DEL SANNIO  
DENOMINAZIONE DI ORIGINE CONTROLLATA

### Grape varieties & production area:

100% Falanghina: the southwest-facing vineyards are located at 300 masl, in the hilly areas of the Taburno subzone, near the municipality of Ponte. Tuffaceous rock emerges from the medium-textured clayey soils, guaranteeing a maximum yield of 100q/ha.

### Tasting notes:

Pale straw-yellow in color with green highlights. It is generous on the nose, with a rich array of aromas, floral notes of hawthorn and orange blossom and delicate hints of exotic fruit and green apple. On the palate, it is pleasantly fresh, with good supporting acidity and length.

### Harvest & production technique:

The grapes are hand-picked in crates, in mid-September. After destemming, the grapes are soft-pressed and the must transferred to steel vats, where it undergoes fermentation at a controlled temperature below 18°C. After natural clarification, it is racked into steel vats, where it awaits bottling.

### Food pairings:

Ideal with pasta and rice dishes, fish and shellfish, particularly fried salt cod, a typical dish from the Campania region.

### Serving temperature:

Serve at 10°/12°C.

JAMES SUCKLING.COM

OCONE FALANGHINA DEL SANNIO DIANA 2017

There's a steely edge to this. With fresh lime and green melon, this is sleek linear and really crisp. Drink now.
